

2018 Street Resurfacing Program

Contractor:	Kokosing Construction Co, Inc. (Phase 1) Shelly & Sands, Inc. (Phase 2)
Project Inspection:	City of Mansfield Engineering Department
Project Development, Design and Administration:	City of Mansfield Engineering Department
Construction Cost:	\$ 4,169,025.48
Funded By:	City of Mansfield, ¼% Income Tax

Each year, the City of Mansfield develops and implements a street resurfacing program. Every street and alley is independently inspected and rated to determine its need for improvement. Pavements with most physical distress are presented to City Council for approval.

This year, 16.74 miles of roadway will be resurfaced. Construction to begin in late April and will be substantially completed by September 28, 2018. Streets in the vicinity of a school will be completed prior to the first day of class.

Please check back for updated information regarding dates of the work and locations of the resurfacing crews.
